

Penn State - Intramural Sports
Women's Open Tennis Singles Tournament
Fall 2009

Basic Tournament Instructions:	
1st ... Check your Contact Info	Update your phone number & email address, if incorrect , with the IM OFFICE and then your FIRST OPPONENT. All email addresses end in "@psu.edu", unless otherwise specified.
Contact Opponent	Contact and Play each opponent EARLY. Find a day & time that you both can play and set a location. You have approx. one week to play each match. Rain can severely affect our tournament at times - schedule and play your matches as early as possible. Match results are due on the date listed for each round.
Courts	You can play on any courts on campus (Pollock, Natatorium or IM courts) or in the State College area. PSU Tennis Club (call 865-1381) indoor courts (\$ for a fee) are available on campus. The Sarni tennis center usually has evening hours for outdoor lighted courts (call 865-1381)
Play the match	Matches are self officiated. Disagreements must be mutually decided or elect a replay. REPORT an opponent who is not playing in a fair and civil manner - this tournament should be fun, social and yet competitive - you are the only contact we have to find out and to act on your behalf. Verify your opponent prior to playing with PSU ID+ card. Each player should bring a new can of balls to each match. Use one can for the match ~ winner takes the unused can to the next round.
Report Results	Report your result ON or BEFORE your MATCH DUE DATE. Include your Name, Division, Flight # and the score of the match. Results and any phone number or email updates are posted ONLINE daily as needed at www.athletics.psu.edu/RecSports
Problems ?	Opponent not returning your calls/emails ? Phone number or email doesn't work? Contact the IM OFFICE ASAP for assistance - don't wait until your deadline !!
Forfeits :(Forfeits will be recorded at 4:30pm on MATCH DEADLINE day. If we have not heard from EITHER opponent it will be recorded as a DOUBLE FORFEIT and the next opponent will receive a bye to the next round.
Rain ?	Do not delay in playing your matches - IF IT HASN'T RAINED - we expect you to play your match on time. If a particular play week has a SIGNIFICANT amount of rain, a 1 or 2 day extension MAY be granted. Call the IM Office for questions. DO NOT RELY ON EXTENSIONS to bail you out for not playing your matches on time - if we must forfeit you to keep the tournament moving - we will - to be fair to those that are playing on time.
